

ROCKY JONES

Rocky Jones was born in 1983, the son of Moon Lark and out of a Jet Deck Mare. He loomed on the racing scene in Arizona in 1985 and won eight races from his 11 starts. “Rocky “ as he is affectionately known.....ran out \$85,488 in his short two year racing career. Most of that money was earned on the Arizona Racing Circuit, which was pretty hard to do in the “80’s”

“Rocky” went to the breeding barn and his first crop hit the ground a running in 1988...The rest is history, as they say. His foals have won every major race in Arizona many times over. Out of his 253 registered foals , they have 2,194 starts amassing \$1,612,648.00 in earnings ...making Rocky Jones a “ household name’ in Racing Circles.

Rocky was inducted into the Arizona Quarter Horse Racing Hall of Fame in 2004.

He is owned by Ralph and Carrie Fales and proudly stands at their Breeding Farm in Coolidge.

AQRA is proud of this great stallions contribution to Racing in our State.
